

# **ONE DAY WORKSHOP ON PCB DESIGN JOINTLY ORGANIZED BY ISTE AND VPMP POLYTECHNIC**

## **About workshop:**

We are happy to announce one day work shop on schematic and layout design using orcad software to be organized in gandhinagar.

The workshop will focus on PCB DESIGNING followed by essentials of schematic and layout design using orcad.

**DATE AND TIME:** 8<sup>th</sup> February 2016(Monday)

**Venue:** VPMP POLYTECHNIC

Sector -15, Gandhinagar.

Who can attend this workshop?

Workshop is open to anybody who is interested in electronic design, student, and hobbyists.

## **Registration:**

Prior registration for the workshop is mandatory.

Last date for the registration is : 5<sup>th</sup> February 2016(Friday)

(Tea Breakfast and lunch will be provided).

## **Workshop topics :**

- ❖ Making circuit on PCB DESIGN software,
- ❖ Developing basic circuits from paper to schematic window.
- ❖ Testing the schematic error (simulation).
- ❖ Making board layout.
- ❖ Checking for errors and finalizing layout.
  - **Certificate will be issued.**

**WORKSHOP FEE:** 200 RS.
