

TWO DAYS WORKSHOP ON SOLAR ENERGY JOINTLY ORGANIZED BY ISTE AND VPMP POLYTECHNIC

About workshop:

We are happy to announce two days work shop on “solar energy” to be organized in gandhinagar

The workshop will focus on solar energy and related practical.

DATE AND TIME: 20th & 21st January

Venue: VPMP POLYTECHNIC

Sector -15, Gandhinagar.

Workshop is open to anybody who is interested in solar energy.

Registration:

Prior registration for the workshop is mandatory.

Last date for the registration is : 10th JANUARY

For more detail visit <www.vpmp.ac.in/events>

(Tea Breakfast will be provided).

Workshop topics:

- ❖ Theory on solar energy
- ❖ Solar Boost Converter for Boost the output voltage value in the Solar PV System.
- ❖ Sun tracking mechanism
- ❖ Solar based water pump.
- ❖ Solar PV panel/plate (demo).
- ❖ Voltage Multiplier circuit for step up the output voltage in the Solar.
- ❖ MPPT Charge Controller for Maximum Power Tracking in the Solar Power Plant.
- ❖ Industrial visit(charanka,eternity green,topsun)

Certificate will be issued.

WORKSHOP FEE: 100/-
