About SVKM

Sarva Vidhyalaya Kelavani Mandal has been established in the year 1919 by a philanthropist Pujya Chhaganbha. The basic principle preached by him “કર ભલા હોગા ભલા” has been driving force for the growth of the educational activities managed by the trust. Having started with just 6 students then today the trust manages and runs various schools and colleges both at Kadi and Gandhinagar with more than 50000+ students being educated. Of these 50000+ students, around 8000+ students, both boys and girls stay in the hostels being managed by the trust. The trust is being nourished by the society of the whole and managed by its alumni who occupy respectable position in the society. The overseas Indian community showers in donation to benefit the students for providing them better facilities for study as well as stay. The trust has always been in the fore front for provision of value based education to all the students in schools and colleges irrespective of Caste, Creed and Religion etc.

About VPMP

The VPMP Polytechnic, Gandhinagar is one of the best diploma studies in the capital of Gujarat. The college was established in 2006 for making perfect junior engineer, planner and statesman of the country. Apart from imparting professional education at under graduate and postgraduate levels, the institute has been extending available expertise. Primary objective of institute is to provide advanced technological skills & expertise to enhance teaching & academic activities. Greater emphasis is also being placed on revenue generation through utilization of facilities for providing services to the industries on commercial basis.

About Department
